1. I am coming this year in ways you have never seen. I am coming this year in waves, waves; and you will see Me as you have never seen Me. You will see the move of My hand in tsunami's not, but in the hearts of men, women, boys, and girls; My who come to Me from all nations, tribes, and tongues. And tongues of Me seek and seek to be My tongue and be My tongue released; to be Me released in the fullness of Me. I love you and I give you Me.
2. I give you Me and I come this year, this year coming, this year that is coming and already is. I come and I give you My hand; I give you My face; and I lean into you to hug you and to kiss you and to walk into you as you walk into Me; My life, My design: your life, your design. I love you priests and kings; priest/kings, kings/priests who now come forth to be My believers. The walkers of Me; the walkers in Me; those who walk Me in every vocation who exhibit Me, who exalt Me, who exhibit My characteristics, My values and My love, My patience, My kindness, My goodness, My mercy and My being Me. I love you and I give you Me.
3. And I give you reparation, reconciliation; I give you, yea, harps and tools of only Me to bring the hearts of Mine into one accord. And, yea, one be, one being, Me; knowing who I am; who they are and knowing how we relate and what relation we are in each other, to each other, and Me being Me in them, them being Me in them, in Me, both: cataclysmic accord, which sits on edge and turns upside down the theology of so many. So many who will be comforted not but discomfited and in refuge seek; will seek refuge of comfort and complacency but find complacency irreconcilable with the reconciliation that I now make; that I now bring forth; and that I now show the world in My Me, being one; one together, accord of only Me, My heart.
4. I love you and I give you healing and I give you the power to heal. I give you My power to heal, I give you Me. I give you power to speak My words and walk My ways. I give you power to walk on water and part the seas. I give you power to overcome every obstacle of not-Me. I give you power to be Me and walk in My fullness. I give you, you, you, My body; you, you My shed blood; My blood; the blood of My family I give you. I give you Me and I give you authorization to be Me; no student, no servant (1), no one above his master (2). Yea, surrender, submission to Me, servitude in Me yea brings freedom never before imagined; yea, into realms of Me un-thought of, unheard of, never preached, never spoken of or grasped.
5. I love you and I reign and I array My troops, **My Mighty Many who now into Me see, see their design and understand and come into Me to create and co-creators be.** I love

you My drink offering'd disciple makers. I love you and I give you Me and exalt you this day. Colors and hue makers, I love you.

6. I travel you now without regard for time and space, resting in Me. I teach you My abiding (3), My abiding and what abiding in Me means. And how to do/be, be/do, in Me, being Me, resting, facilitating the flow now of My words that come forth; many transcriptionists needed; yea, in Me and I bring all.

7. I am My resource for I am Me and I have need of nothing and yet, yea, I love the work of My hands. Yea, My who I worship not but who worship Me; and yea, then I lift as I am beheld'd by My creation and what I do, what I am, and what I have provided for My creation to be Me and robotics not. But to will, to will to do My will, to will to see Me, the will to hear Me, the will to be Me. To be Me in My fullness, authority and power reconciled, reconciled and walking in healing My nation, leaves (4) of only Me. Yea, My scriptures opened, opened completely, and all the words of My mouth flowing through those unafraid, experiencing Me, Me the teacher, the giver: My laws (5), My thoughts (5), My ways into your hearts (5). Yea, My New Covenant (5) unveiled, reveiled not, obliterated, no veil existing.

8. Yea, see Me and what I have said and come into Me; come into Me for My thoughts, My ways, My laws, My justice, My equity. Yea, My mercies, My revelation and revelator be. I love you as you lift My family and **teach My disciples and Meonics them with degrees of walking in Me to the fullness of My stature, operating in the Godhead bodily** (6)**; death having no hold on (7), death having come through** (8)**.** I love you and I give you Me. My drinkards and drunkards not; yea, My disciplined disciples who drink-offerings are in life, living daily and nightly, yea, at My disposal, at My beck and call; yea, expanded the realm of their freedom (9) constantly, infinitely in Me. I love you.

9. This day comes, this year is and you see the sweep of My hand and My Mighty Many come forth. Yea, things, ways that you have never seen, waves that you have never seen and the sweep of My hand does not stop, yea, for generations (10).

10. Yea, congratulate Me; coagulate, collaborate, compare and compete none; but continue in **the momentum which you have now begun in the school of the Mighty Many, the school of My heart. Yea, the school of My soul, My spirit, My Me, where I teach and I train**, where I come and I call and I conquer.

11. I love you so deeply and I give you Me and I thank you for fearing no one, no man, no institution, no government. I thank you for walking in the Priesthood of All Believers (11), in The Order of Melchizedek (12) and knowing that Melchizedek is Me (13). And that I now bring forth the Melchizedeks who unashamedly wear My name on their forehead (14) and ride with Me in realms yet to conquer, conquering with Me, My all together lovely.

12. Waves come forth, think it not strange what I do and how I do these things and bring forth My way and will and teach you in **My school of experientially Me**--I love you--the light in Me, My way, My words, this day, this night, every night. And know that I will wake you more and more, oftener and more often, yea yet. See Me and know My

appreciation, My love, My depth unlimited to you now; you unlimited completely in Me; altogether going where no man has gone.

13. Thank you for My quest, My quester who I love with all My heart, who I think is so 'neat, sweet, and wonderful.' Yea, My lover, I love you; I love you My lover. Thank you for loving Me. Lovership of Me and you, you and Me. Teach, train, show, exhibit, and intimacy display with discernment. I love you.

14. Goodnight, good year closing, greatest year opening, the year of Me, waves and waves of Me never seen before; the sweep of My hand coming, come now. I love you.

15. Fear not; behold Me, behold the Great I Am. I love you.

Me, Dad, your Father
My Son, I love you
Goodnight
